

The Cardholder Experience

Get acquainted with the benefits of the Fintwist digital payments solution.

Card Features

With Fintwist, you can have all or part of your wages direct deposited to your card every payday! Your Fintwist card is yours, not your employer's, even if you leave your job. You can set up paychecks from your next job to be direct deposited to your Fintwist card with your account numbers. Whether you use Fintwist as your primary financial account, complementary account, or as a monthly allowance for certain transactions, it provides you the ability to manage, access, and spend your pay your way.

With Fintwist, you'll enjoy features like:

- Free in-network ATM withdrawals
- Free text and email alerts*
- Merchant discount and offers
- 24/7/365 phone support for cardholders
- Complementary cards
- No-risk for overdrafts
- No Minimum balance or monthly maintenance fees

Mobile App Features

- See what you spend
- Know when you get paid
- Restrict your card if it's lost
- Send money to anyone
- Pay your bills

Download the Fintwist mobile app in the App Store or in the Google Play store.

Online Shopping

There are some things cash can't do. With Fintwist, you can enjoy modern conveniences such as:

- Online shopping
- Renting a car
- Booking a flight or hotel online

Your card works with apps and subscriptions like:

*Standard data and text messaging rates from your wireless provider may apply
